

RANGEVIEW HIGH SCHOOL

AFTER PROM SATURDAY, APRIL 28, 2012

Rangeview is in the planning stages of this year’s awesome after prom activities! Here’s your chance to put your talents to use and have a great time with our students. Some of the activities from the past include carnival games, inflatables, photo booth, Dance Dance Revolution, Wacky Trikes and games in the swimming pool. We will also have door prizes, food and drinks.

We are committed to having a fun, SAFE environment for the students and that’s where we need your help. We need volunteers to help with the activities, monitor the food and drinks, check students into the building, ticket sales and provide security by keeping students inside the building.

We believe that Rangeview’s parents and friends are up to the challenge of making this year’s after prom a memorable experience for our students. If you have never participated in after prom, you will be amazed at how much the students appreciate the time and energy you put into this special night. And remember, the purpose of after prom is to give the students a safe, fun place to go after their evening of dinner and dancing is over. Once the gowns and tuxes come off, it’s all fun and games for the kids and chaperones!
